Where: Wellness Center Conference Room

Who: Deb Page MSW, Oncology Program/Inpatient Units of WGH
Carla Jolley ARNP, MN, AOCN, CHPN
Oncology/Palliative Care Advanced Practice Nurse

Monthly Schedule:

First, Third, and Fifth Mondays:

Drop in for persons living with cancer and their support/caregivers to explore a wide range of issues related to living with a cancer diagnosis, ways to strengthening coping skills, and support for the emotional changes and challenges it brings.

Second Mondays:

Carla is available to provide support and address questions related to pain and symptom management related to disease and treatment side effects, and talking about having a cancer diagnosis to those around you.

Fourth Mondays:

Deb is available to review the nuts and bolts about community resources and completing advanced directives. What decisions and situations is it important to plan for, and communication strategies with your health care team and support system.
